## LARGO ARTS WEEK

The second annual Largo Arts Week event will take place across the villages from Saturday 16th - Sunday 24th July, 2022. Artist studios will be open from 10am to 5pm. Much like art, music has an important place in our community. Combining both art and music the event bridges two creative styles as one. Visitors will be able to enjoy the artworks displayed in artist studios, listen to local musicians in a range of venues and enjoy street performers.

Visitors to venues listed here visit at their own risk. Participants make every effort to make their workspaces safe and welcoming, but as working environments they may contain dangerous tools or materials.

Those involved in the event cannot accept liability for any loss, damage or injury sustained by any member of the public during visits to the listed studios.
